

Terra-Dome Corporation

Drafting and Design Services

Terra-Dome Corporation offers Design & Drafting Services to its residential and commercial clients so that needs and wants may be fulfilled at a nominal cost. All pricing is based on modules being single level. Second story will be charged as a module. Finished loft space and flat roof finished space of 300-500 sq. ft. will be charged as 1/2 module and 500-800 sq. ft. is considered 1 module.

Our Design & Drafting team offers these various stages of service:

Stage 1 (Initial Drafting Package) Optional

Send rough graph drawing of floor plan, wish list and price range with check to:

Terra-Dome Corporation
8908 S Shrout Rd
Grain Valley, MO 64029

Email: jayscafe@terra-dome.com
Phone: 816-500-6730

1-3 Modules \$300.00
4-5 Modules \$450.00
6-7 Modules \$500.00
8 + Modules Price per quote

Terra-Dome will provide a digital copy of the floor plan.

Stage 2 (Preliminary Drafting Package)

Return the floor plan with changes or send scaled floor plan that you provide with a check for \$500.00 + \$200.00 per module to Terra-Dome.

Terra-Dome will provide a digital copy of the floor plan with front elevation including a 3D model of the structure.

Stage 3 (Final Drafting Package)

Return revised basic floor plan and basic front elevation with check to Terra-Dome for \$350.00 per module. Three hours of modification time is allowed between stages with additional time charged at \$65/hr.

Terra-Dome will provide a complete digital set of plans that include all of the construction documents listed below.

- Revised front elevation
- Revised floor plan
- Footing plan
- Dimension plan
- Electrical schematic
- Plumbing schematic
- HVAC schematic
- Engineering plans (not sealed by engineer)

Stage 4 (Extensive Design Package)

Contact Terra-Dome for these services. Services provided for \$65/hr.

Terra-Dome will provide a digital copy of the final drafting package plus additional construction documents:

- Window & door schedules
- Interior elevations
- Landscape plan
- Site plan
- Etc.

Contact us for pricing on engineering seals (if needed) and for pricing on plans from this website.
